

Video: The Right Data for Value-Based Success

written by Theresa Hush | September 1, 2020

Claims data isn't all you need to succeed under capitation. Here's why provider EHR clinical data should be added to identify variation in care and engage providers.

Founded in 2002, Roji Health Intelligence guides health care systems, providers and patients on the path to better health through [Solutions](#) that help providers improve their value and succeed in Risk.
